Idea 17.07.2017

*Room with bright light.*

*Enters two women.*

FIRST WOMAN: Five minutes?

SECOND WOMAN: Even less.

FIRST WOMAN: Thank you.

SECOND WOMAN: It's all I could do for you.

FIRST WOMAN: Five minutes to prove that I love him.

SECOND WOMAN: Yes. Did you ever do this? Before?

FIRST WOMAN: Never. My first time.

SECOND WOMAN: You could change your mind. No one will be disappointed in your choice.

FIRST WOMAN: I remember, free will.

SECOND WOMAN: You sure? You are ready to try?

FIRST WOMAN: Yes.

SECOND WOMAN: One chance.

FIRST WOMAN: I am ready.

SECOND WOMAN: You can't hear or see him and even don't try.

FIRST WOMAN: I remember rules.

SECOND WOMAN: Good.

FIRST WOMAN: How I will know it's time?

SECOND WOMAN: You will hear a ring.

FIRST WOMAN: Yes. Ring.

SECOND WOMAN: Are you ready?

FIRST WOMAN: Few seconds.

SECOND WOMAN: Few second to gather all your thoughts.

FIRST WOMAN: To find a courage.

SECOND WOMAN: You better hurry up.

FIRST WOMAN: I will manage, thank you.

*Second woman exists.*

FIRST WOMAN: To convince someone in my love. What could be more easy? I could say "I love you" and really mean it. I love you – I love your work. I love you – you encourage me. I could tell it to hundred people and don't lie. I love you – I care about you. I love you – I am proud of you.

Here nothing of that won't work. He should believe me, as I never said it to no one.

*Ring.*

FIRST WOMAN: Oh, no! I mean, yes. At least, you are in my power to listen to me, you have nowhere to go, nowhere to hide.

Sorry, I didn't mean it. Of course, you have where to go. Not only me is ready to be your shelter.

Hi! I am glad that you want to listen to me. If you had opportunity. But you was put here. Fine, was suggested that you could pay me your undivided attention.

It's such cruel, I have no idea if you really listen to me. Maybe you are already bored and don't think about my voice. Voice, such strange that we can't recognize our voice, we always feel it like something foreign, wasn't created by us. No one had complains about my voice, hope you also will stand it. Now you are listen to me, hope you didn't run away. They promised, you won't run.

I should say to you – I love you. Three words. I never touched you. How I could say that? No, I don't think that I won't like to touch you, but it's complicated situation. For me, not for you. But you should make decision, for you it also could be difficult. I hope that for you it's also serious, like to me.

I should convince you that I love you. I love you. It sounds unnatural. Maybe in evening of rainy day, when we both will fell asleep. Later it will sound properly.

What I could say before this three words?

Demanding, I know. I prepared, but never think it will be such heavy in front of you. When you see me and I have no idea what's your feelings are? Did I manage to woke up this belief in you?

Questions for which aren't answers.

I will spend my all free time with me. Free time which left after work and thoughts after work. Don't be afraid, it's enough.

I could show you what I like about Town, I am sure you also will be impressed.

I now should give a lot of big promises, but won't. I am here, it's important.

I also hope that you will open your feelings to me. You know, it's important. When each side could have opportunity to be open about emotions.

*Ring.*

FIRST WOMAN: I don't know if you still hear me. But I am here, wait for you.

*Enters Second Woman.*

FIRST WOMAN: And?

SECOND WOMAN: I am sure he heard you.

FIRST WOMAN: And?

SECOND WOMAN: Answer is yes.

FIRST WOMAN: Really, I can't believe.

SECOND WOMAN: You convinced him, with your honesty.

FIRST WOMAN: Thank you.

SECOND WOMAN: Not me, it's your relationships now. Did you decide how you will name your little dog?

FIRST WOMAN: Puppy.

SECOND WOMAN: Are you sure?

FIRST WOMAN: Yes, I am.

*First Woman shows dog's bowl with name "Puppy".*

SECOND WOMAN: Good. Now you could see him.

FIRST WOMAN: Really?

SECOND WOMAN: Yes. He believes that you love him, never let him go or forget about him.

FIRST WOMAN: I won't.

*THE END.*
